A construction worker, several stories above downtown Greenville on Tuesday, secures metal to the top of Main@ Broad, a six-story, mixed-use project adjacent to City Hall. The project will include a 135-room Courtyard by Marriott hotel, 65,000 square feet of office space with street-level stores, a seafood restaurant, a 250-space parking garage and an open-air green plaza. The developer expects to complete the project
