Earth Day at Duke World of Energy

Alec Pryor, 7, rolls the dice **while** playing an eco-trivia game during **an** Earth **Day** event Monday morning for **home**-schoolers held at the **Duke** World **of** Energy. **More than** 180 **Upstate home-schoolers and their parents came out for the annual event where they** participated **in arts and crafts, learned** about ways **to help the environment** and more.
