Groundbreaking begins for Keowee Key's recreation area and administrative building

JESSICA NELMS | THE JOURNAL

Keowee Key Board members are, from left: Glen Gilbert, George Taylor, Ivor Rich, Jerry Fouts and Jim Henderson pose for a photo during a ground breaking ceremony at Keowee Key recently. The construction projects include demolition of the current administration building, construction of a new admin building, construction of new tennis courts and restoration of the current courts, as well as construction of new pickleball courts and a new swimming pool and activity center. (Board members not pictured were Edna Turnure and Tony Alford)
