Honoring Their Service program set for tonight at Lighthouse

SENECA — The seventh annual Honoring Their Service program will be held tonight at the Cabana Club at the Lighthouse Restaurant.

The complimentary barbecue dinner will take donations and have a cash bar with all proceeds to benefit Honoring Their Service Inc., a 501(c)3 charitable organization and a S.C. Public Charity.

The event will run from 6:30-9 p.m. and will also feature live entertainment, a silent auction and prizes.

All are invited to come out for an entertaining evening and help support the seventh annual Honoring Their Service program as it brings 40 Marines — a mixture of active duty and wounded warriors — into the Upstate for rest, relaxation and an expression of gratitude.

The Cabana Club at the Lighthouse Restaurant is located at 1290 Doug Hollow Road in Seneca.
