

Open water swim contestants make waves

Submitted photo

More than 225 entrants swam Lake Hartwell last Saturday in the 15th Annual SC Open Water Swim Championships and Masters Grand Prix events. The event is sponsored and operated by the Clemson Aquatic Team and draws swimmers from across South Carolina and the Southeast for 5k, 3k, 1k and .5k races. Swimmers in this photo are just under way in the .5k race, the day's last event.
