Pumpkin pickin'

Northside Elementary School's pumpkin patch is now open for business. Prices range from $0.50 to more than $30 for pumpkins, and the patch is open from noon to dark Monday through Friday and 10 a.m. to dark on Saturday and Sunday. Clockwise from above: Chloe Laye tries to choose between two pumpkins earlier this week. Addie Smith, 2, ponders her choice. First-grade teacher Susan Kelley and her students admire a green pumpkin. Gabrielle Chavis shows off her pick.
