The Lighthouse Restaurant ribbon-cutting

Friends, family, employees, business leaders and prospective diners were all on hand Tuesday as The Lighthouse Restaurant held its official ribbon-cutting ceremony. The 200-seat restaurant and 300-capacity event center at 1290 Doug Hollow Road offers views of the lake and the mountains and includes indoor and outdoor seating. The porch and main floor

offer casual dining while "upscale casual" dining is available on the second floor of the facility. The restaurant has a meeting room that accommodates up to 40 people, as well as a separate events center that can handle both large and small events tailored to the needs of the host.
