Tiki Hut to hold carnival event for children's charities

FOR THE JOURNAL

SENECA — Lake Keowee's only public restaurant, the Tiki Hut, will be holding a carnival-themed family event benefiting the children's charities Helen's Hugs and Collins Home, two charities local to Seneca.

The event will take place from noon to dusk on July 21.

Kids can enjoy a moon bounce, water slide, dunking booth as well as participate in crafts and raffles. A karate demonstration will be featured along with plenty of carnival food to go around.

Munchies include popcorn, cotton candy, ice cream, snow cones, hot dogs, chips and more. Participants will be able to purchase carnival tickets on site that will be used in exchange for activities and food. Proceeds will be equally split between Helen's Hugs and Collins Home. An on-site raffle includes items for both adults and kids with prizes such as spa certificates, free round of golf and toy giveaways.

This is the Tiki Hut's first family charity event. For additional information about this event or the Tiki Hut, contact Marketing Assistant Maggie Martin at (864) 506-4018 or visit the website at www.clubtikihut.com
