This provision shall not apply when the proposed action is the amendment of this Declaration and the quorum requirement established by Part Four, ARTICLE II, Section 2, shall govern in that instance. Any increase in excess of C.P.I. average for the preceding year shall only be done after referendum approved by two-thirds (2/3) of the Members.

The Board of Directors may, after consideration of current costs and future needs of the Association, fix the annual regular assessment for any year. The Board shall have the power by unanimous vote to make a supplemental assessment.

Section 4. Special Assessments for Improvements, Additions, Operating Deficits and Repayment of Loans. Section 6. Assessment Payments. Beginning with the year 2001, and thereafter, the annual assessment shall be made for the fiscal year in advance and shall become due and payable within sixty (60) days after the amount of such assessment is fixed by the Board of Directors of the Association. The Board of Directors of the Association shall have the power to change the date upon which annual assessments become due and payable and also to determine the method of payment of annual assessments, i.e., lump sum, monthly installments, quarterly, etc.; provided, however, that the annual assessment shall be due and payable at least annually.

The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence against all but the Owner of payment of any assessment therein stated to have been paid.

Section 8. Effect on Non-Payment of Assessment; The Personal Obligation of the Owner; The Lien; Remedies of Association. If the assessment or cost incurred by the Association as a result of the owner's failure to abide by these covenants is not paid, then such assessment or cost shall become delinquent and shall, together with interest thereon from the due date, at the rate established by the Board of Directors from time to time, late charges as established by the Board of Directors from time to time and cost of collection thereof as hereinafter provided, thereupon become a charge and continuing lien on the land and all improvements thereon, against which each such assessment is made, in the hands of the then Owner, his heirs, devisees, personal representatives, successor-in-title and assigns.

The sale or transfer of any lot pursuant to a decree of foreclosure, or any other proceeding or deed in lieu of foreclosure shall extinguish the lien against the lot as to payments which become due prior to such sale or transfer, but not the personal obligation of the defaulting former owner.
