 - (5) **Variances.** The committee may grant reasonable variances or adjustments from the provisions in this declaration where literal application thereof results in unnecessary hardship and if granting thereof will not be materially detrimental or injurious to owners of other lots or parcels.
 - (6) **Certification of Compliance.** At any time prior to completion of construction of any improvement, the committee may require a certification, upon such form as it shall furnish from the contractor, owner or a licensed surveyor or engineer that such improvement does not violate any setback, ordinance or statute, nor encroach upon any easement or right-of-way of record, nor violate any other provisions of these restrictions.
 - (7) **Liability.** Notwithstanding the approval by the committee of plans and specifications or its inspection of the work in progress, neither it, the declarant, nor any person acting in behalf of any of them shall be responsible for any defects in any plans or specifications or other material submitted to the committee, nor for any defects in any work done pursuant thereto. Each person submitting such plans or specifications shall be solely responsible for the sufficiency thereof and the adequacy of improvements constructed pursuant thereto.
 - (8) **Appeals.** Any applicant shall have the right to appeal to the declarant (or to the Association if and when the declarant transfers the responsibility for the committee to it) from any decision of the committee within thirty days after the entry of such decision.
 - (9) **Restrictions on Construction of Model Homes.** Model or exhibit homes shall be built and used as such only with the prior written permission of the committee.

7. **PORT SANTORINI ASSOCIATION.**

- A. **General.** The Association is a South Carolina non-profit corporation organized to further and promote the common interest of property owners in the development. The Association shall have such powers in the furtherance of its purposes as are set forth in its articles and By-Laws.

- B. Membership.
- (1) Class of Members. There shall be members and associate members.
 - (2) Members. Each owner, and the developer, Rochester Real Estate Company, or its successors, shall by reason of ownership, become a member of the Association.
 - (3) Associate Members. If not otherwise a member, each of the following shall be associate members of the Association.
 - (a) The spouse and children of a member who have the same principal residence as the member.
 - (b) Persons who may be tenants or regular occupants of the dwelling situated within the development.
 - (c) Persons who by virtue of the contractual agreements with the developer are entitled to membership in the Association.
- C. Rights, Privileges, and Obligations. The rights, duties, and privileges and obligations of membership in the Association are as set forth in its articles and By-Laws.
- D. Assessment. Pursuant to the powers granted to it in its articles and By-Laws, the Association is hereby expressly authorized and empowered to levy:
- (1) Annual assessments against all lots in the development to fund the annual operating budget duly approved by the Association's membership provided, however, except as may be otherwise indicated, no assessment against a lot owner shall exceed One Hundred Forty-four (\$144) dollars unless increased by a two-thirds affirmative vote of all members voting in person or by proxy at a meeting called for such purposes. However, beginning with the fiscal year starting July 1, 2000, the Association's Board of Directors may increase any forthcoming year's assessment to exceed such maximum by up to five (5%) percent over the assessment levied for the previous year, even though that assessment exceeded One Hundred Forty-four (\$144) if the Board deems such an increase is necessitated by inflation.

In addition, the Association may levy:

- (2) A special assessment to finance a capital improvement or improvements, but it must be approved by a two-thirds affirmative vote of all members voting in person or by proxy at a meeting duly called in accordance with the Association's By-Laws; and
 - (3) A special assessment against any particular lot owner for payment of fines, penalties or other charges for failure to comply with the terms of the Declaration or the Association's By-Laws. The Association Board shall send written notice of the amount and due date of such special assessment to the lot owner at least thirty (30) days prior to that assessment's due date. This special assessment, if not paid by the due date, shall become a lien against the lot as hereafter provided under Art. 7. Sec. F.
- E. Declarant shall pay assessments on all lots owned by it in the sum of one-half of the assessment until 50% of the lots are sold and after that time declarant shall pay no assessments on any lot owned by it.
- F. Collection and Lien. The amount of the assessment levied by the Association shall be paid to it on or before the date or dates fixed by resolution of the board. If not so paid, the amount of such assessment, plus any other charges thereon, including interest at the maximum limit provided by law per annum from the date of delinquency and costs of collection, including attorney's fees, if any, shall constitute and become a lien on the lot so assessed when the board causes to be recorded a notice of assessment which shall state the amount of such assessments and such other charges and a description of the lot which has been assessed. Such notice shall be signed by the secretary of the Association on the behalf of the Association. Upon payment of said assessment and charges, or other satisfaction thereof, the board shall, within a reasonable time, cause to be recorded a further notice stating the satisfaction and release of said lien.
- G. Priority of Lien. Conveyance of any lot shall not affect any lien for assessment provided herein. Such lien shall be prior to all other liens recorded subsequent to the said notice of assessment.
- H. Enforcement. The lien provided for herein may be foreclosed by suit by the Association in like manner as a mortgage, and, in such event, the Association may be a bidder at the foreclosure sale. The Association may also pursue any other remedy against any owner owing money to it which is available to it by law or equity for the collection of debt.
- I. Proof of Payment. Upon request, the Association shall furnish a statement certifying that all assessments then due have been paid or indicating the amount then due.
- J. Suspension. The Association shall not be required to transfer membership on its books or to allow the

exercise of any right or privileges of membership on account thereof to any owner or to any person claiming under them unless or until all assessments and charges to which they are subject have been paid.

- K. The owner of two adjoining lots shall be considered to own one lot for voting and assessment purposes only if a single residential building is located on either lot or a portion of both lots.

8. EASEMENTS.

- A. Reservations. The following easements over each lot or parcel and the right to ingress or egress to the extent reasonably necessary to exercise such easements, are reserved to declarant and its licensees:
- (1) Utilities. A five (5) foot wide strip running along the inside of said lot line for the installation, maintenance, and operation of utilities (excluding sewer) including radio and television transmission cables, and the accessory right to locate lines underground, remove trees, shrubs and planting wherever necessary upon such lot or parcel in connection with such installation, maintenance and operation. A sixteen (16) foot easement is reserved over each lot as shown by the plat of the development for the installation, maintenance and operation of sewage disposal.
 - (2) Other easements. Any other easements shown on the plat.
 - (3) Use of and Maintenance by Owners. The areas of any lots or parcels affected by the easements reserved herein shall be maintained continuously by the owner of such lot, but no structures, plantings or other material shall be placed or permitted to remain or other activities undertaken thereon which may damage or interfere with the use of said easement for the proposed purpose herein set forth. Improvements within such areas shall be maintained by the owner except those for which a public authority or utility company is responsible.
 - (4) Liability for use of Easements. No owner shall have any claim or cause of action against declarant or its licensees arising out of the exercise or non-exercise of any easement reserved hereunder or shown on the plat except in cases of willful or wanton misconduct.

9. RESERVED AREAS.

Declarant has and will retain ownership of certain lands within the development, including, but not limited to, the streets, roads, and parks shown on the plats. There is, therefore, granted to the owners and occupants of each lot and parcel within the development an easement to travel along and upon said roads and streets; and, to use such reserved areas upon such terms and conditions as it, the Developer, may from time to time designate and establish. In no event, however, shall such terms and conditions ever deny access to any lot in the development by the owner thereof. Nothing herein contained shall prevent or prohibit declarant from dedicating streets and roads to appropriate governmental bodies or convey same to the Association to be used by the Association in accordance with these restrictions and according to its charter and By-Laws.

- A. In consideration of the granting of such easement and the undertaking of the declarant and/or the Association when and if such areas are conveyed to the association to maintain such reserved areas, the owner of each lot or parcel, by execution of a contract for the purchase of said lot or parcel or acceptance of a deed thereto, agrees to pay the Association an annual assessment of not more than the amount provided in Article 7.D of this declaration and in accordance with the By-Laws of the Association.

10. MAINTENANCE OF VACANT LOTS.

- A. All lot owners shall maintain their lots as required by paragraph 4D of this declaration so that it is not unsightly and shall keep the lot free from high weeds, brush, litter and all other unsightly vegetation or matter. In the event an owner fails to maintain his lot in a presentable manner, declarant may maintain lot, solely within its discretion, and shall charge the owner thereof a maintenance fee of not more than Fifty (\$50) Dollars per year, according to the value of the dollar for the year 1974, said charge to be not more than the actual cost of the maintenance. The maintenance fee, if appropriate, shall constitute a lien against the lot upon recording of a verified charge of the cost of the maintenance and the amount thereof. Declarant shall have the right to enforce such lien as may be enforced by foreclosure of mortgages and may be a bidder at the foreclosure sale. Declarant may also pursue any other remedy at law or in equity against the owner of said lot or parcel for collection of debt.
- B. The powers given declarant herein shall not be exercised if the Association undertakes to maintain vacant lots and if it does so, declarant's rights hereunder shall be assigned to the Association so long as the vacant lots are

kept in accordance with the requirements hereunder. When declarant has sold fifty (50%) percent of the lots, the Association shall assume the duties hereunder and declarant shall not thereafter be obligated to maintain vacant lots nor shall it be entitled to charge lots owners therefore. Nothing herein contained shall give the Association the right to impose charges upon declarant respecting any lots owned by it.

11. ANNEXATION.

- A. Property to be annexed. Declarant may, from time to time and in its sole discretion, annex to the development any other real property owned by declarant which is contiguous or adjacent to or in the immediate vicinity of the development.
- B. Manner of Annexation. Declarant shall effect such annexation by recording a plat of the real property to be annexed and by recording a supplemental declaration which shall:
 - (1) Describe the real property being annexed and designate the permissible uses thereof.
 - (2) Set forth any new or modified restrictions or covenants which may be applicable to such annexed property, including limited or restricted uses of reserved areas; and
 - (3) Declare that such annexed property is held and shall be held, conveyed, hypothecated, encumbered, leased, rented, used, occupied and improved subject to the provisions of this declaration. Upon the recording of such plat and the supplemental declaration, the annexed area shall become a part of the development, as fully as if such area were part of the development on the date of recording of this declaration.

12. ANNEXATION TO THE CITY OF SENECA AND FORMING UTILITY DISTRICT.

- A. Declarant believes that it is in the best interest of the development to become a part of the City of Seneca as soon as feasible and intends to pursue annexation of the subdivision to the City of Seneca whenever the development can be legally annexed to said City. Each grantee or purchaser, by the acceptance of a deed or upon execution of a binding contract which gives such grantees or purchaser the right to vote on such question, covenants and agrees that he will vote affirmatively in any election held on the question at the request of the declarant or shall execute any petition for annexation upon request of the declarant.
- B. Water Service and Sewage Disposals. By reason of the requirements of the federal government, appropriate governmental bodies may establish a sewer and/or water district which includes the development to provide sewage disposal services to the development. All lot owners covenant to vote affirmatively for including the assessment is comparable with other charges in Oconee County for like services.

13. REVISION OF PLATS.

Notwithstanding the provisions and conditions herein contained, declarant intends to prepare and record subdivision plats and does hereby reserve unto itself, its successors and assigns, the right to relocate, open or close streets shown on said plats, and to revise, resubdivide and change the size, shape dimension and location of lots, the covenants, conditions, restrictions and reservations hereby imposed shall be applicable to the resulting lots in lieu of the lots as originally shown on said plat prior to such revision, relocation or change, provided, however, that no lot sold prior to such revision, relocation or change shall be deprived of that portion of the street or streets on which it bounds nor of access to such lots from the streets in the subdivision.

14. REMEDIES.

- A. Enforcement. Declarant and each person to whose benefit this declaration inures, including the Association, may proceed at law or in equity to prevent the occurrence, continuation or violation of any provisions of this declaration, and the Court in such action may award the successful party reasonable expenses in prosecuting such action, including attorney's fees.
- B. Suspension of Privileges. The board may suspend all voting rights, if any, and all rights to use the Association's property of any owner for any period during which any association assessment or other obligations remains unpaid, or during the period of any continuing violation of the provisions of this declaration by such owner after the existence thereof has been declared by the board.
- C. Cumulative Rights. Remedies specified herein are cumulative and any specifications of them shall not be taken to preclude an aggrieved party's resort to any other remedy at law or in equity.

No delay or failure on the part of any aggrieved party to invoke an available remedy in respect to a violation of any provision of this declaration shall be held to be a waiver by that party of any right available to him upon reoccurrence or

continuance of said violation of the occurrence of a different violation.

15. GRANTEE'S ACCEPTANCE.

Each grantee or purchaser of any lot or parcel shall by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase of a lot or parcel either from the declarant or a subsequent owner of such lot or parcel accept such deed or contract upon and subject to each and all of the provisions of this declaration and to the jurisdiction, rights, powers, privileges, and immunities of declarant and of the Association.

By such acceptance, such grantee or purchaser shall, for himself, his heirs, devisees, personal representatives, grantees, successors, and assigns, lessees and/or lessors, covenant, consent and agree to and with declarant and the grantee or purchaser of each other lot to keep, observe, comply with and perform the covenants, conditions, and restrictions contained in the declaration.

16. SUSPENSION OF RESTRICTIONS.

The provisions on improvements, use and occupancy set forth herein shall be suspended as to any lot, parcel or other area while and so long as the same is owned by or leased to the State of South Carolina or any governmental agency, public or private utility, whenever and to the extent, but only to the extent, that such provisions shall prevent the reasonable use of such lot, parcel or area for said purposes. On cessation of such use, such provisions shall become applicable again in their entirety. While owning or leasing and using such owner shall have no rights as a member of the Association, nor shall he be liable for any Association assessments.

17. SEVERABILITY.

Every provision of this declaration is hereby declared to be independent of and severable from every other provision hereof. If any provision hereof shall be held by a court of competent jurisdiction to be invalid, or unenforceable, all remaining provisions shall continue unimpaired and in full force and effect.

18. CAPTIONS.

Paragraph captions in this declaration are for convenience only and do not in any way limit or amplify the term or provisions hereof.

19. TERM AND AMENDMENT.

The provisions of this declaration shall affect and run with the land and shall exist and be binding upon all parties claiming an interest in the development until January 1, 2005, after which time the same shall be extended for successive periods of ten (10) years each. This declaration may be amended by the affirmative vote of a majority of the **authorized voters** of all lots in the development entitled to vote and recording an amendment to this declaration duly executed by (a) the required number of such owners required to effect such amendment; or, (b) by the Association, in which latter case, such amendment shall have attached to it a copy of the resolution of the board attesting to the affirmative action of the requisite number of such owners to effect such amendment, certified by the secretary of the Association.

20. Lots 61 through 68 (Commonly known as the Tennis Court and Recreation Area)

Lots 61 through 68 are reserved as a recreation area for the exclusive use and enjoyment of Port Santorini residents and their guests.
