Work progressing on new QuikTrip store

Construction has begun on a QuikTrip convenience store at the intersection of U.S. Highway 123 and S.C. Highway 130 in Seneca. Spokeswoman Aisha Jefferson-Smith said the Tulsa, Okla.-based company is targeting the last week of January 2021 for the opening of the Seneca store. A building permit with the Seneca planning and development office estimated the total cost of construction to be \$520,000, plus \$44,313 to demolish the structure that was on the property.
